

Message from Andrew Mercer, Chair, Board of Directors:

October 24, 2022

Appointment of Chief Executive Officer

On behalf of the Board of Directors, I am pleased to announce the appointment of Eric Philip to the position of CEO, Thresholds Homes and Supports, beginning November 21, 2022.

Eric joins Thresholds Homes and Supports as a proven leader in community housing, initiating forward thinking solutions driven from housing first principles for those experiencing mental illness and addiction. Previously, Eric has held the positions of Director at Dixon Hall and Program Manager for Toronto Community Housing, enhancing his background in the integral relationship between community engagement, clinical supports and housing for clients deeply at risk.

Our board believes Eric's passion for community, commitment to learning and innovation and unique mix of skills and leadership qualities position him for success in this role and leading our organization forward.

"I am thrilled at the opportunity to support an agency performing some of the most important work in our society today. Thresholds' reputation speaks for itself, and I look forward to meeting everyone to better understand how we will work together to progress the agency's mandate." (Eric Philip)

On behalf of the Board, I would like to congratulate Eric on his new role with Thresholds Homes and Supports and welcome him to the organization. We are excited about the future opportunities for Thresholds to improve the quality of life and independence for people experiencing mental health issues by providing access to affordable housing and flexible, individualized support, and we look forward to working closely with our funders and community partners to better serve the needs of our clients.

Andrew L. Mercer
